MAY LOSE PART OF OUR TRAIN SERVICE.

Mr. C. R. Maxwell, an employee of the G. H. & S. A. Ry., was interviewing the people along the road from San Antonio to Del Rio this week on a matter of very vital importance to all the towns west of San Antonio. He spent the greater part of Wednesday in Hondo and met personally a number of our people.

Mr. Maxwell showed figures to prove that the operation of the local trains to and from Del Rio is a losing proposition for the railroad and that unless more business can be secured for them economy will force their discontinuance.

As the eleven-fifty train out of San Antonio brings the bulk of our mail its discontinuance would work a hardship on all towns served by it and every where Mr. Maxwell went the people got busy in an effort to do something helpful in the matter.

A meeting of the Chamber of Commerce, called for Wednesday night, resolutions were adopted urging our people to bestow a greater amount of their passenger and freight traffic upon the railroad and urging the railroad company to assist by giving an earlier morning daylight train service to San Antonio.

If the two trains in question are discontinued, there will be only one train a day each way and the "jitney" at night. This will mean a great hardship on the traveling public, and it was, if possible, to obviate this necessity that Mr. Maxwell was sent to the people with his message as to the loss his company is sustaining in the effort to keep up present schedules.

CARD OF THANKS AND APPRECIATION.

We wish to express our sincere thanks and appreciation to our many friends and customers throughout Medina County for the liberal patronage accorded us during our FALL OPENING SALE!

Judging by the steady stream of satisfied shoppers from the beginning to the end of our Sale we are convinced that our prices must be right—also that our advertising was substantiated by facts. We are going to continue in business, are restocking in all lines and will continue to follow our policy, as heretofore, of giving the best quality merchandise at lowest possible prices.

We wish to add that although our Sale is at an end, some time will be required to place goods that are unsold, back into original boxes and containers, and for this reason the sale prices will not be removed until this has been done. This will give an opportunity to shoppers to pick up a few more special bargains.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

QUIHI NOTES.

The annual Mission Sunday services at the Quibi Lutheran Church last Sunday were largely attended. Besides the church membership of Quibi and New Fountain, quite a large number of visitors from Castroville and other neighboring points were present. Three services were held and splendid sermons and discourses on the subject of the day were delivered by Rev. Kralick of Castroville and Rev. Baetke of San Antonio. The three services were greatly beautified by choice selections, rendered most excellently by the Castroville and Quibi church choirs. The presence of so many young men and women, especially trained singers, proves anew what young people can do if they avail themselves of the opportunities offered them in the country.

From now on and during the winter months Sunday school will begin at 9:30 o'clock a. m. All boys and girls of this community should be present.

Regular English service will be held Sunday morning at 10:30 o'clock. Please bring your English hymn books along. All are cordially welcome.

At 2 o'clock Sunday afternoon divine service will be held in the New Fountain Lutheran church. All are invited to come to this service.

Sunday night at 7 o'clock, please note at 7 o'clock—the Quibi Lutheran League will give a very interesting program in Bethlehem Lutheran Church. The various numbers of the program will consist of musical, literary and oratorical numbers, as outlined in last week's Anvil Herald. All are cordially invited to come and hear and enjoy this program.

The Ladies' Aid Society of Bethlehem Ev. Lutheran church held a well attended and very interesting meeting last Thursday in the old church. It was decided to hold a bazaar, beginning at 2 p. m., Saturday, October 31st. A committee composed of Mesdames Luebe Boehle, Otto Grell and Arnold Balzen is entrusted with the making of all arrangements. Donations for this bazaar will be gratefully received by any member of this committee. At the conclusion of routine business the society was handsomely entertained at a splendid luncheon by Mesdames Joe Horn, Otto Grell and Arnold Balzen.

From day to day, the question for housewives is "What shall we have to eat?" Meat seems to be the logical dish around which to build a meal—but, compared to cost, meat yields only a fair return in protein, phosphorus, and iron, and a low return in energy, and an extremely low return in calcium (lime). When compared on the basis of cost, milk yields more of the minerals named, and a very much larger amount of calcium.

Milk, eggs, cheese, or beans may be substituted for meat without lowering the standard, and usually with good economy. Cheese, alone, is much cheaper than meat when compared in food value obtained.

With these facts in mind, we have planned, and prepared three day's menus suitable for fall months. In order that the menus have a solid foundation from which any housewife may work, we have used an imaginary family. In this we considered the father and mother and three children of various ages, the youngest four years. The suggested menus are adequate in minerals, protein, bulk and calories.

THE INDEPENDENCE OF THE FARMER.

MANY people are farmers because they have personal independence on the farm that they could get nowhere else. Each one of these farmers is his own boss.

Some people can't stand a boss. They have initiative of their own and want to exercise it. They want to do their own planning and thinking. And this is a great privilege for those who have this initiative.

On the other hand, there are those who have need for a boss to accomplish anything. They lack initiative and can't do things without being told.

Now, it galls one who has initiative to have some one tell him when to do this, and when to do that, and how to do it, when he knows better how and when to do it himself. He chafes under this restraint and, just as soon as he can, he gets a business of his own and is much happier even if he doesn't make as much money as when working for others.

The farmer, by planning and doing a little extra work can now and then take a day off without asking the boss. Is that worth anything? To the man with initiative it is worth everything. It turns drudgery into pleasure. It makes a man feel that life is worth living.

That is one of the reasons why farming is a good business. It makes independent citizens, men who can be depended upon by the community or the nation, when needed.

The rooms were made very attractive by cut roses and ferns. A color scheme of pink and white was carried out in decorations.

After a guessing contest, the answers being the names of flowers, the bride-elect was led into the dining room to the strains of "The Flower Song," played by Mrs. A. W. Montgomery of San Antonio. Upon entering the room the honoree found in a rose bower a large pink rose containing many beautiful and useful gifts which were presented to her by Misses Dorothy and Bernice Mofield.

WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Zigfield Folies and screen star, and leading American humorist. More coming. Watch for them.

Improving on History

I just finished hearing a Politician, one of the Washington Boys, talk on Abraham Lincoln. The only thing I could picture in common between him and Lincoln was that they had both been in Washington. When a Politician aint talking about himself he is talking about Lincoln. Lincoln has had more Public men speak of his good qualities, and fewer copy any of them, than any man America ever produced. His famous address was only about two hundred words long. No Politician has ever been able to even copy his briefness. In fact that is the last one of his qualities that they would try to copy. Lincoln said more in those 200 words than has been said in the entire City of Washington in the last 10 years, and here is a quality that no historian or speaker has ever brought out before. At the completion of the Gettysburg speech, he wisely refused one of Grant's Cigars, and borrowed a sack of "Bull" Durham from an Ex Southern private, rolled his own, got on his Mule and went back to Washington.

P. S. There will be another piece here two weeks from now. Look for it.

A Regal Evening Wrap of Ermine

MAE BUSCH

THE evening wrap of Ermine so much in vogue the past few seasons in fashionable fur circles, continues to be the ultra-fashionable garment for evening wear. This season, however, a new touch has been added in having collars of contrasting fur, such as black lynx, to give it a note of smart contrast.

This wrap of ermine, which Mae Busch, Metro-Goldwyn-Mayer player wears in "Time, the Comedian," her next production, has a huge shawl collar of soft white fox. It is cut to blouse at the waistline.

Why Gum-Dipping is so Important to Car Owners

GUM-DIPPING—the Firestone extra process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendering process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.

Save money—buy Gum-Dipped Balloons now—while prices are low.

MEDINA COUNTY HOG MAN GOT MOST BLUE RIBBONS.

Our good friend, Leo Bohl came near taking all the ribbons on hogs at the Frio County Fair, capturing thirty Blue Ribbons, nine Red Ribbons and one White having an assortment of two breeds of hogs, some turkeys and chickens. He took twenty blue ribbons on his Big Bone Poland China and eight blue ribbons on his Hampshires. Mr. Bohl has been taking off the blue ribbons on his hogs for several years. He knows how to make favorable display of his hogs, and besides taking first prizes made some sales. Besides the advertising, he received \$131 in cash prizes.

DEVINE COLT SOLD FOR \$500 AT THE FAIR.

Medina County took good part in the races at the Frio County Fair, this paper has been informed. We are informed that "Jimnie Gray," a two year old property of J. E. Gardner, of the Palace Market, Devine, won second place, after being jockeyed out of first place, and sold by his owner to John Schuehle, of Hondo, another Medina County man, for \$500 cash. It is reported that the prizes for winners in races were very small, and not pay the entrance fees in some cases, to say nothing of expenses of keeping while there, but Mr. Gardner is pleased, winning second money and selling his colt. Mr. Schuehle has a good colt, the boys say.

BIGGEST SHIPMENT OF ONION SEED EVER SEEN.

The biggest shipment of onion

seeds ever seen in this part of Texas, we suppose, was unloaded here Friday and a picture was taken of it, as it was displayed over almost the entire platform and extended on the ground and loading trucks. Mr. and Mrs. C. H. Melton were standing behind a big sign which read "100,000.00 Shipment of Onion Seeds For C. H. Melton's Plant Farms." The picture was being made for the Kansas City Packer; the camera having a twenty-inch focus. The News is promised a picture. We understand that Mr. Melton will double his acreage this year. He already has plants up growing and will continue to plant until Christmas. This is one of the results of irrigation and is the biggest single famer enterprise in this part of the country. He shipped last year as many as six million plants a day for a number of days during the rush of transplanting.

CITATION BY PUBLICATION.

THE STATE OF TEXAS,
To the Sheriff or any Constable of Medina County—GREETING:
YOU ARE HEREBY COMMAND-
ED, That by making Publication of this Citation in some newspaper published in the County of Medina, for four weeks previous to the return day hereof, you summon Erlinda Mendosa, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Medina, at the Court House thereof, in Hondo, Texas, on the 19th day of October, A. D. 1925, then and there to answer a Petition filed in said Court, on the 17th day of September, A. D. 1925, in a suit numbered on the docket of said Court No. 2081, wherein Ramon Mendosa is plaintiff and Erlinda Mendosa is defendant. The nature of the plaintiffs demand being as follows, to-wit:

That on or about the 29th day of April, 1924, in New Braunfels, Texas, plaintiff was legally married to defendant then a single woman by the name of Erlinda Suniga; that after said marriage plaintiff and defendant continued to live together as husband and wife until on or about the 6th day of April 1925, when due to the misconduct and disloyalty of defendant, plaintiff then and there permanently separated from her with the fixed intention of never living with her again as husband and wife, and since which time they have never lived together as husband and wife. That during the time they lived together as aforesaid plaintiff was at all times true and loyal to defendant and at all times amply provided for her support and maintenance, but that defendant, unmindful of her marital vows, shortly before their said separation, began and pursued a course of conduct, which when discovered by plaintiff rendered their further living together as husband and wife insupportable, the premises considered.

That defendant is guilty of having committed acts of illicit carnal intercourse with one Simon Maldona, and of having committed the offense of adultery with said party; that said Simon Maldona made frequent secret visits to plaintiff's home in the town of Hondo, in the absence of plaintiff and while plaintiff was away earning a living for himself and defendant; that on said visits defendant would lock and bar the doors and windows of the house which constitute the home of plaintiff and defendant, with no one but herself and said Simon Maldona in the house; that said visits could be for no other than unlawful purpose; that upon being informed of said visits the plaintiff lay in watch and caught said Simon Maldona and defendant in his home on April 6th, 1925, that all doors and windows were locked and barred, and upon forcing an entrance plaintiff found said persons excited and other facts which indicated that the parties had been guilty of the illicit acts above complained of.

That upon such discovery defendant became enraged and left the place after having made no explanation nor excuse for the visit of said person.

That said acts constitute cruelty of the grossest nature and plaintiff has suffered greatly by reason thereof. That said marriage relations continues to exist.

That plaintiff and defendant have no children and no property. Wherefore, plaintiff prays the Court that defendant be cited to appear and answer this petition, and that upon final hearing plaintiff have judgment dissolving said marriage contract and relations now existing between plaintiff and defendant, for his costs of suit and such other relief general and special, in law and in equity to which he may be entitled.

HEREIN FAIL NOT. And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon showing how you have executed the same.

GIVEN UNDER My hand and seal of said Court, at office in Hondo this, the 17th day of September A. D. 1925.

Issued same day.

Clerk District Court of Medina County, Texas.

IF YOU GET UP NIGHTS YOU'RE OLD BEFORE YOUR TIME

Prostate and Bladder Trouble Makes Many Men Feel Twenty Years Older Than They Are.

It is said that fifty per cent of men past forty and many younger ones are victims of prostate trouble.

One of the commonest symptoms of this dangerous disease which saps vitality and makes you old before your time is the necessity of getting up several times a night.

Other symptoms are dull, draggy, aching at the base of the spine, pain in groin, burning sensation of organs, lack of vigor and frequent attacks of the blues.

But there is hope for you, no matter how old your case, from a wonderful new formula. It seemingly brings new health, vigor and freedom from these troubles to both old and young.

This wonderful treatment is known as Walker's Prostate Specific, and is prepared in convenient, pleasant tablet form. All you need do is take one tablet after each meal and the symptoms seem to vanish like magic.

To prove these statements the Walker Institute, 1838 Gateway Station, Kansas City, Mo., generously offers to send a \$1 treatment under plain wrapper, postpaid and free of charge to any sufferer who will write for it. If it cures you tell your friends and pay whatever you think is fair, otherwise the loss is ours.

Remember that you are the judge, and you pay nothing now or at any time unless you wish, so send your name today before the introductory offer is withdrawn. It is good for only 10 days and guaranteed in every way.
